

AIR N ARC® 300

The Lightest, Most Compact Rotary Screw ALL-IN-ONE Power System® on the Market

Providing 300 amps of welding power and 40 cfm of on-demand air, the **Air N Arc® 300** is compact enough to fit a truck's side-pack or be mounted behind the cab. The totally self-contained unit delivers more efficient use of truck space and can be integrated with the chassis for maximum versatility. Featuring the market's only remote panel for a diesel ALL-IN-ONE Power System®, it provides ultimate user convenience and safety. Designed for maximum fuel efficiency, the system offers the power you need for all your mobile workshop needs.

SPECIFICATIONS

Engine	Gas: 29 HP EFI Kohler, Air Cooled	Diesel: 25 HP Kubota, Liquid Cooled
Compressor Type	Rotary screw	
Generator Wattage	7,000 watts of pure sine power, 120V/240V	
Welder Amperage	300 amps high frequency CC/DC, CV/DC at 100% duty cycle	
Battery Charger	300 amps 12V charge and 12V/24V boost	
Max Pressure (psi)	175	
CFM Rating	40 cfm @175 psi	
Drive System	Belt driven	
Fuel Capacity (gal)	12	
Weight (lbs.)	Gas: 700	Diesel: 870
Dimensions (in.)	Gas: 21W x 47L x 31H	Diesel: 21W x 47L x 33H

Product improvement is a continuing goal. Design and specifications are subject to change without notice or obligations.

SPECIAL FEATURES

- Control panel can be remotely mounted for the ultimate in user convenience
- Electric start
- 40 cfm rotary screw compressor for air on demand and extended life of unit
- Small dimensions allow unit to fit on a side-pack or be mounted behind the cab
- TRUE 2 generator system for safe multi-function of welder and electric tools
- All the benefits of a high frequency welder offering excellent weld characteristics
- Totally self contained, but can be integrated with the chassis for maximum versatility
- One unit to start all your equipment with battery charge and boost capability offering: 12V charge, 12V /24V boost
- CV MIG capability
- Drive System Heavy duty belt drive system for anti-vibration and long service intervals
- Integrated lift hook and battery tray
- Designed for easy maintenance
- Powder coated sheet metal
- Galvannealed steel

OPTIONS/ACCESSORIES

- Welding rods
- Welding lead - 25', 50'
- Battery booster cables
- Dry cell battery
- Cable extension segment
- Fuel pump
- Fuel tank – slimline 11 gal
- Remote air tank – 30 gal
- Remote condensation drain
- Electrode holder
- Ground clamp
- Welding helmet with auto darkening lens
