# Mechanics Trucks Drawer Sets

IMT drawer sets are designed to withstand the rigors of field service technicians. They utilize 250 lb slides that are used across the entire range of drawers to meet the needs of the job at hand. Each drawer set is finished in a chip-resistant white powder-coat for durability and appearance.

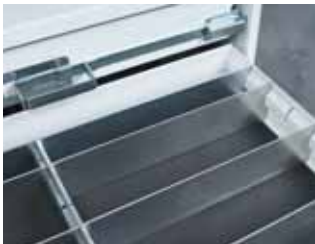

### One-hand, two-point latches

- Open drawer with one hand
- Latch drawer to each side of the cabinet

### 250 lb individual slides

- Increase durability
- Enable full extension

### Hemmed edges

- Add strength to each drawer and top shelf
- Reduce sharp edges for safety

### 3" risers

- Allow ease of installation
- Provide drawer clearance in door opening

### Solid side and back panels

- Increase strength of cabinet

### Telescoping top shelf

- Extends to 12" on each side
- Creates full shelf
- Added rigidity of installation

### Removable drawers

- Assist in drawer set installation
- Place drawer closer to job

### Dividers and rubber mats options

- 4 dividers in 13" drawers
- 6 dividers in 26" drawers
- 9 dividers in 39" drawers
- Rubber mats keep parts and tools from sliding

Outside

Lock

Unlock

### Individual drawer locks

- Add security
